OFSTED RATED OUTSTANDING

Teacher of Maths

Required for September 2025

We require an enthusiastic, innovative and highly motivated teacher of maths to join a successful and dynamic Faculty with consistently outstanding results. As a school, we are innovative in realising the potential of all our students and we offer an excellent, supportive environment in which to work. There is an extensive CPD programme for all staff and the maths faculty is highly collaborative, which leads to the production of excellent resources for students.

There is a strong culture of creativity especially through the use of technology with all students using their own iPad to learn in an engaging way.

This is an exciting time to join the school with a bespoke, academic sixth form having opened at Chesterton in September 2022, which continues to grow and attract strong mathematicians each year. The post provides an excellent opportunity for an ECT or experienced teacher.
