Chesterton Impington Witchford

Personally invested in maintaining a safe, clean, and welcoming environment for all users. Professional, dependable, and aligned with the values of ELA Active.

Enthusiastic about supporting community engagement and promoting access to active lifestyles.

## **Other Requirements:**

Able to obtain Enhanced DBS clearance.

Willingness to travel and work across multiple ELA Active Ltd sites as required.

Strong understanding of safeguarding principles and the role of a manager in ensuring compliance.

# Desirable

RLSS Trainer Assessor qualification - enabling in-house delivery of lifeguard training and assessments.

RLSS National Rescue Award for Swimming Teachers and Coaches (NRASTC) - or experience delivering training in aquatic safety.

First Aid Instructor/Assessor qualification – ability to deliver and assess First Aid at Work and Emergency First Aid qualifications.

Additional gualifications in leadership, safeguarding, or health & safety (e.g., IOSH, NEBOSH).

National Pool Management Qualification

This person specification outlines the key attributes, qualifications, and experience required for the role of Duty Manager at ELA Active. The successful candidate will demonstrate these qualities and be committed to providing a safe, high-quality service to all users of the facility. While these are key requirements, the role may also involve additional duties to ensure the delivery of a safe, high-quality service to all facility users.
