- Act as the main point of contact for parents, staff, and external activity providers.

- Maintain accurate records, incident logs, and reports, ensuring policies are followed at all times.
- Monitor equipment needs, health and safety issues, and report concerns promptly.
- Promote a positive, inclusive environment for all children, including those with additional needs.

What we're looking for:

- Significant experience working with children in a play, education, or care setting.
- Proven ability to supervise or lead teams in a childcare or activity-based environment.
- A strong understanding of safeguarding, child protection, and risk management.
- Confident in planning and delivering a wide variety of engaging activities.
- Comfortable in a swimming pool environment and willing to get into the water to support and engage with children through play.
- Ability to train, support, and motivate staff effectively.
- Excellent organisational and communication skills.
- Energetic, approachable, and passionate about high-quality play and learning.
- Flexibility to work at multiple sites and adapt to a dynamic, fast-paced environment.
- An Enhanced DBS clearance (this will be arranged as part of pre-employment checks)

Desirable (but not essential):

- Level 3 qualification in Playwork, Childcare, Youth Work, or related field.
- First Aid certification (Paediatric First Aid preferred).
- Experience supporting children with SEND.
- Awareness of health and safety legislation in childcare settings.

What we offer:

- Leadership opportunity within a respected and growing holiday club.
- Comprehensive training including safeguarding and child protection.
- Supportive team environment.

- Free use of sports centre facilities during employment.
- A meaningful and enjoyable job that makes a real difference during school holidays.
