Witchford Village College is an expanding village college for Years 7 to 11 located two miles west of the historic city of Ely and we are part of the Eastern Learning Alliance.

We require an enthusiastic and highly motivated teacher of Languages to join a successful and dynamic Faculty. As a school, we are innovative in realising the potential of all our students and we offer an excellent, supportive environment in which to work. There is an extensive CPD programme for all staff and the Languages Faculty is highly collaborative, which leads to the production of excellent resources for students. Student attainment is high, with 62% of students achieving a **Grade 8 or above in French in 2023, and 78% in Spanish. EBacc uptake is around 50% for our current Year 10 cohort, and recent Language opportunities have included residential trips to Nice and Sevilla.**

There is a strong culture of creativity with all students using their own iPad to learn in an engaging way.

This is an exciting time to gain experience in the school and Trust more widely.

The post provides an excellent opportunity for an ECT or experienced teacher and could be combined with leadership opportunities depending on the experience and interests of the applicant.

Our Trust is committed to equal opportunities, to safeguarding and the promotion of the welfare of children, young people and vulnerable adults. All staff are expected to share this commitment and undergo the appropriate checks. All positions within the Trust are subject to enhanced DBS checks and satisfactory references.
