Teacher of Mathematics

Vista Academy Littleport is seeking an enthusiastic, well qualified and innovative teacher of Mathematics. This position is an exciting opportunity to work in a small school with excellent facilities and very high aspirations for our students. At Vista Academy we provide an education that is challenging yet accessible to the young people in our care. We want to inspire them to become life-long learners and empower them to be valuable members of society. To enable us to achieve this we have developed our ambitious curriculum alongside our family of schools across the Eastern Learning Alliance.

The successful candidate will benefit from working in a supportive, close-knit team as well as with colleagues across the Trust. They will also have access to regular training, as we work collaboratively to sustain a culture of very high expectations for both staff and students. This position is an exciting opportunity for an exceptional classroom practitioner to use their skills in order to drive the department towards further success.

If you feel that our vision and values align with yours, we'd be delighted to hear from you. We are always happy to meet potential applicants and offer tours of the school. Join Vista Academy a part of the Eastern Learning Alliance and become a member of a high-performing network of providers across the East of England.

ELA staff benefits include:
